

BROWNTROUT CANADA 2024 CALENDAR COLLECTION

WELCOME

To BrownTrout Publishers' 2024 Calendar Collection

Digital overload is driving millennials—and other organizationally-inclined individuals—to return to traditional paper calendars, planners and journals. The world has found that paper-based products stand tall as an alternative and even creative method of planning life, scheduling events, tracking appointments, bulleting details, making lists, and recording thoughts and ideas.

Once again, BrownTrout Canada and Wyman Publishing offer an extensive collection of wall calendars, mini wall calendars and pocket planners in our 2024 Calendar Collection. We carefully curate the perfect images from thousands of photographers and fine art sources, offering unparalleled variety within themes and subjects to suit any taste.

Our Wyman Publishing Canadian-themed and French language calendars, including our line of Canadian Geographic calendars that we co-produce with The Royal Canadian Geographical Society, are a photographic tour of Canada from Nunavut to Point Pelee, St. John's to Vancouver Island. From serious subjects like Northern Lights and La vie de chalet to the humour of Cows, the pages of this Canadian Calendar Collection will delight and inspire you and your retailers throughout the year.

From Wyman and BrownTrout Canada's humble beginnings in 1976 and 1999, respectively, when we produced the market's first regional calendars and brought nearly every dog breed calendar to the market, we have consistently remained Canada's leader in dated and organizational products. Our 25+ years of experience and commitment to bringing you the best fuels our drive to be a leader in our industry as we continue to Connect People to their Passions.
