A magical retelling of the timeless classic - With stars that glow in the dark!

The Little Prince ventures far from his home to visit many planets. On his way, he has various encounters that lead him to reflect on what is truly valuable in life. This re-telling of Antoine de Saint-Exupéry's classic novella is geared toward children ages 5 and up and it focuses on the Little Prince's relationships with the people and places he comes across on his adventures.

Cherished by children and adults all over the world, Antoine de Saint-Exupéry's timeless classic commemorates the 80th anniversary of its publication. This celebrated work is an ode to the wisdom and innocence of childhood and a rich resource for cultivating childlike inquisitiveness.

A Heartwarming Story on the Importance of Family Ties

Caillou is disappointed when none of his friends can come over to play. How is he going to have fun without his friends? Mommy, Daddy, and Rosie try to include him in their games, but he isn't interested. When Daddy tells him the story of a great knight who protects his kingdom from a terrible dragon, Caillou learns that families are sometimes the best friends and allies a person can have.

Let the Sunny Bunnies Inspire Creativity!

These are seriously silly Sunny Bunnies! Kids mix and match colorful parts of the Sunny Bunnies (heads, bodies, and feet) to create eye-catching versions of the Bunnies in hundreds of hilarious combinations of costumes and props. This entertaining board book is split into three sections that can be flipped to produce unique Sunny Bunnies with wacky tongue-twisting descriptions. Little ones will have a blast flipping the sections for hours of giddy fun and creative play.

Learn about emotions with Sunny Bunnies

Discover all the different moods you can experience with the Sunny Bunnies. Are you feeling happy? Are you feeling sad? Are you scared? Or surprised? Children feel many emotions every day. Naming and identifying them is a way for little ones to start recognizing their feelings.

As they gain self-awareness, children learn to manage their emotions, a critical skill that lays the foundation for emotional intelligence and resilience. The feelings described in this book include joy, surprise, anger, love, fear, sadness, and calm.
