Ed Brisson, Mike Marts, Gavin Guidry

Far Cry: Esperanza's Tears

Mathieu Mariolle, Afif Khaled, Salaheddine Basti

Summary

DISCOVER A BRAND-NEW COMIC SERIES BASED ON THE HIT VIDEO GAME FRANCHISE!

For Juan Cortez, guerrilla warfare is a profession. Death, a hobby.

Over the years, he's traveled from countries at war to conflict zones, putting his experience and training at the service of the highest bidder. This time, fate led him to Santa Costa, a South American country that curiously reminds him of Yara, his native land. Because here, as on the island of Antón Castillo, the recent discovery of a rare resource, a mineral called "Tantalum," has upset the economy of a small nation previously ignored.

Three camps now face each other: the military junta recently established in power by Di Stefano, the bourgeois party led by the daughter of the assassinated former leader, and a revolutionary group, defender of labor and indigenous rights. It was the latter, guided by their leader Max Purillo, who called on Juan's talents. And for him, it's blessed bread. A nascent guerrilla, a troubled period politically, and above all: money. A lot of money. To save the country, he is asked to strike a blow by assassinating Gene...
