Dreams

A Literary Anthology

Edited by Bob Blaisdell

The mysterious power of dreams has always fascinated humanity. Theories of interpretation, meaning, and symbolism have varied, yet their intrigue remains eternal. This captivating anthology of dreams represents the experiences of great authors and characters as well as their nighttime wanderings, awakened through passages from the Bible, classical Greek literature, novels, memoirs, essays, philosophy, psychology, and poetry. It explores perspectives both critical and in awe of dreaming's incredible narrative potential, offering readers an enlightening glimpse into timeless nocturnal musings that can reveal a writer's most intimate self through nightmare and comedy alike! This original collection contains selections from Louisa May Alcott, the Brontë sisters, G. K. Chesterton, Cicero, René Descartes, Charles Dickens, Emily Dickinson, Fyodor Dostoyevsky, Ralph Waldo Emerson, Sigmund Freud, Homer, Victor Hugo, Edgar Allan Poe, William Shakespeare, Sophocles, Robert Louis Stevenson, and other dreamers. 224pp. 5 x 8.

Copper Sun

Countee Cullen

Countee Cullen (1903–46) was an African American poet, playwright, and novelist and a leading figure in the Harlem Renaissance. *Copper Sun*, a collection of over fifty poems, is his second book of poetry. Cullen explores the emotional consequences of race, religion, and sexuality in Jazz Age America. His lyrics are moving, eloquent, and poignant and are as powerful today as when they were first published nearly a century ago. Accompanied by seventeen beautiful Art Deco illustrations from the original publication, his poems will open up conversations about courage, heartache, identity, love, and more while nourishing your spirit every step along the way. 96pp. 5 x 8.

The Eternal Moment and Other Stories

E. M. Forster

Six compelling tales intertwined with fantasy spotlight the profound humanism that E. M. Forster developed in his later novels. These early writings provide readers with a thought-provoking exploration of the human spirit, allowing for the possibility of a life-altering epiphany that frequently conflicts with conventional wisdom. From the prescient science fiction dystopia "The Machine Stops" to the title story, "The Eternal Moment," each character is engulfed by a separation of reality from illusion and every experience prompts a transformation within. With opposing perspectives at play, they can never be the same. This extraordinary short story collection includes "Co-Ordination," "The Eternal Moment," "Mr. Andrews," "The Machine Stops," "The Point of It," and "The Story of the Siren." (US & Canada Only). 96pp. 5 x 8.

The Variable Man and Other Stories

Philip K. Dick

A seminal figure of twentieth-century science fiction, Philip K. Dick ponders the very nature of humanity in this anthology of five gripping short stories and novellas that were first published in early 1950s pulp magazines. Written during the Cold War, "The Defenders" presents a tale of robotic warfare. "Foster, You're Dead" criticizes consumerism and the Cold War, when the military-industrial complex shifted responsibility for self-defense to families by selling bomb shelters. "Piper in the Woods" is a clever short story concerning the erosion of reality. A military psychologist is tasked with solving the mystery of why military personnel are behaving like plants upon their return from an asteroid. "Second Variety" is prescient in its anticipation of the hazards of self-evolving robots that can operate independently of one another. In "The Variable Man," Earth relies on computer technology and a time traveler to predict their chances of victory in a fight against aliens. This collection is an excellent introduction to one of the most original minds of the modern era. (US Only). 176pp. 5 x 8.

The Walls of Jericho

Rudolph Fisher

Rudolph Fisher's outstanding debut novel *The Walls of Jericho*, published in 1928, explores race and class issues during the 1920s Harlem Renaissance through the lens of Black lawyer Fred Merrit, who buys a home in a white neighborhood bordering Harlem. What progresses is a satirical journey through Merrit's life as he encounters the racism of his new white neighbors as well as racism and classism among the residents of Black Harlem. This edition includes four of Fisher's short stories that capture the Black Jazz Age urban experience, initially published in the iconic magazine *The Atlantic Monthly*: "City of Refuge," "The Promised Land," "Ringtail," and "Blades of Steel." 192pp. 5 x 8.

The Future of an Illusion

Sigmund Freud
Translated by W. D. Robson-Scott

In *The Future of an Illusion*, Freud's psychoanalysis of religion is the culmination of a lifelong thought pattern. Freud examines human nature and the role of religion in society, proclaiming that human instincts are destructive to civilization and must be restrained to maintain an orderly society. Religion, viewed as a set of false beliefs based on human desires, manifests as a God-like father figure to a helpless child, whose survival is dependent upon delusional beliefs for independence, security, and incentives for good behavior. Declaring religion and science as mortal enemies, Freud concludes that civilization can only be redeemed through new constructions of existence and ideas motivated by science. 64pp. 5 x 8.

God's Trombones Seven Negro Sermons in Verse

James Weldon Johnson
Drawings by Aaron Douglas

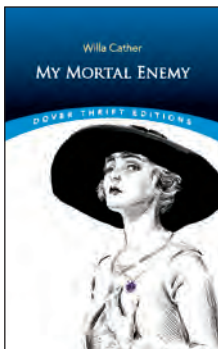

James Weldon Johnson (1871–1938) was a revered African American civil rights leader, diplomat, lawyer, novelist, poet, and songwriter in the Harlem Renaissance. He also coauthored the hymn “Lift Every Voice and Sing,” known as the Black national anthem. *God's Trombones*, one of Johnson's most celebrated works, transforms seven uplifting spiritual sermons of African American preachers into poetry. *God's Trombones* equates the Black oral tradition and its characteristic cadence with the sweeping tonal ranges of the trombone, which most closely resembles the human voice. This classic collection includes “Listen, Lord — A Prayer”; “The Creation”; “The Prodigal Son”; “Go Down Death — A Funeral Sermon”; “Noah Built the Ark”; “The Crucifixion”; “Let My People Go”; and “The Judgment Day.” 64pp. 5 x 8.

My Mortal Enemy

Willa Cather

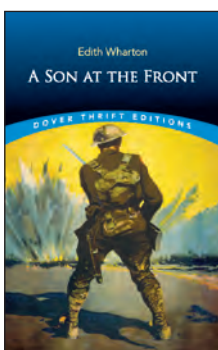

Myra Driscoll had it all — dresses, jewels, a riding horse, and a Steinway piano — until she met and fell in love with Oswald Henshawe, a man her uncle, John Driscoll, hated. Despite the threat of disinheritance by Driscoll, Myra married Oswald. Nellie Birdseye, Myra's niece, narrates the poignant journey through a failing marriage and a woman's painful struggle with the internal conflict of its blame. This unforgettable novella, written in 1926 by Pulitzer Prize-winning author Willa Cather, offers a tragic depiction of the marriage paradox: how to reconcile youth's romantic exuberance with growing disillusionment, bitterness, and regret. A Son at the Front

Edith Wharton

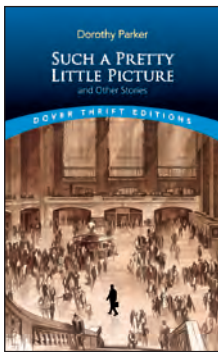

Inspired by her volunteer work in France during World War I, Edith Wharton's remarkable war novel, *A Son at the Front*, was initially met with widespread indifference from a war-weary public. The profoundly moving story follows expatriate American painter John Campton as he battles to keep his only son, George, away from the front while considering the moral ramifications of his actions. The Pulitzer Prize-winning author delivers a deeply emotional and intimate look at the shattered lives of the distraught parents left behind. Wharton constructs a stunning, poignant tale that skillfully explores the psychological and cultural influences on human behavior during the early years of World War I. 256pp. 5 x 8.

Such a Pretty Little Picture and Other Stories

Dorothy Parker

Dorothy Parker's literary prowess reveals a razor-sharp wit in this original collection of twelve short stories, published between 1922 and 1927 in the top literary magazines of the day, including *The Smart Set*, *The New Yorker*, and *The New Republic*. These superbly crafted satirical stories, rich with keen insights into human nature, illuminate the pretentious absurdities within relationships between men and women — in and outside of marriage, the politics of patriarchy and power, the subordination of women, and observations of class and race. An excellent sampling of Parker's acerbity rooted in an intimate realism and subtle feminism, this collection of early works features some of Parker's best-known tales, including "Arrangement in Black and White," "Mr. Durant," "Such a Pretty Little Picture," and "The Last Tea." 96pp. 5 x 8.

The Torrents of Spring

Ernest Hemingway

"*The Torrents of Spring* reveals Mr. Hemingway's gift for high-spirited nonsense. Whatever its effect on literary foibles, it contributes to that thoughtful gaiety that true wit should inspire." —*The New York Times*. Displaying early humor and wit, Ernest Hemingway's charming and entertaining novella, *The Torrents of Spring*, is a hilarious parody of Sherwood Anderson's *Dark Laughter*. Anderson was one of many influential writers in Hemingway's early years. Exasperated with their pretentious literary styles and ideas, he crafted his disillusionment into a comedic satire aimed not only at Anderson's book but numerous other great writers of the day, including D. H. Lawrence, Ford Madox Ford, F. Scott Fitzgerald, Gertrude Stein, James Joyce, and John Dos Passos. *The Torrents of Spring* was published in 1926, the same year as Hemingway's acclaimed novel *The Sun Also Rises*. It is a fascinating and unique look into Hemingway's formative years as a storyteller and writer. (US & Canada Only). 80pp. 5 x 8.

Acrostic Poetry

The First-Ever Anthology

Edited by Michael Croland

In this first-ever anthology, more than 80 acrostics show the versatility of a storied poetic form that dates back to ancient times. In standard acrostics, the initial letters of successive lines spell out words when read vertically. Highlights include Lewis Carroll's acrostic about the namesake of his Alice character, Edward Lear's humorous alphabet poem, Edgar Allan Poe's sonnet with a name arranged diagonally, and a forty-stanza poem spelling out the Lord's Prayer. Informative chapter introductions explore acrostic legends, including Sir John Davies, who began the tradition of using the form to praise someone's name with acrostics about Queen Elizabeth I, and George Moses Horton, an African American slave who peddled produce and poems before he learned to write. 96pp. 5 x 8.

Selected Letters of the English Romantic Poets

William Blake, John Keats, William Wordsworth, and more

Edited by John Grafton

The six poets who created the great works that form the core of British Romantic poetry — William Blake, William Wordsworth, Samuel Taylor Coleridge, Lord Byron, Percy Bysshe Shelley, and John Keats — all explored the major Romantic themes of nature, death, the supernatural, the wonders of imagination, and the meaning of individual experience in their works. This book presents different sides of these poets' lives: from the great letter-writing age in which they lived, it includes examples of how they communicated with each other and their contemporaries, opening a window into the actual lives they lived. 192pp. 5 x 8.

In His Steps What Would Jesus Do?

Charles M. Sheldon

Charles M. Sheldon, a Congregational minister and author of the classic novel *In His Steps: What Would Jesus Do?*, challenged his congregation with this very question in 1896. But it was an impassioned plea from a mysterious stranger that stirred several members into action. Their intertwining stories, first published as a serial and then as an inspirational novel, prompted readers everywhere to explore and reflect upon how to apply Christian ethics toward solving social issues such as injustice, crime, and poverty. Featuring a new foreword by pastor, author, and popular blogger John Pavlovitz, this classic, soul-stirring novel continues to speak to modern readers. 304pp. 5 x 8.

HARDCOVER

The Enchiridion A Stoic's Guide to Contentment and Tranquility

Epictetus

Translated by George Long

This lovely hardcover keepsake offers the timeless precepts of one of the most important Greek Stoic philosophers. Epictetus (ca. 50–ca. 130 CE) was born into slavery and had a permanent physical disability. After attaining his freedom, Epictetus spent his career teaching philosophy and advising a daily regimen of self-examination. His pupil Arrian later collected and published the master's lecture notes as *The Enchiridion*, or Manual. Full of practical advice, this volume offers guidance for those seeking contentment, happiness, and tranquility in the modern world. Through the principles found in *The Enchiridion*, we learn that true freedom can be achieved by taking control of our thoughts and actions through self-awareness rather than trying to change events beyond our power. This enduring counsel on how to live follows maxims that have set generations of readers on the path to happiness and makes a wonderful gift for any occasion. 96pp. 5 1/2 x 8 1/2.

The Practice of the Presence of God and The Spiritual Maxims

Brother Lawrence

This devotional classic is a compilation of Brother Lawrence's letters and recorded conversations from the seventeenth century. Brother Lawrence was a simple French Carmelite lay brother who was able to achieve profound intimacy with God through the most mundane activities. He taught that the highest communion with God is not reserved for extraordinary moments but permeates the very core of our most ordinary days. He spent much of his time in the kitchen of a Paris monastery. He learned that our daily activities and thoughts could be acts of worship, engaging in opportunities to "practice the presence of God" by thinking about and loving God. Also included is Brother Lawrence's "Spiritual Maxims," a collection of aphorisms and sayings that summarize his teachings. This timeless spiritual treasure has illuminated the hearts of many who yearn for the awe-inspiring knowledge of the divine presence in a hectic modern world. Features a foreword by Matthew Fox, author of *Sheer Joy*. 112pp. 5 x 7.

The Imitation of Christ

Thomas à Kempis

Written by the pious monk Thomas à Kempis, this timeless masterpiece offers wisdom and hope by providing precepts we can use to draw nearer to God and learn how best to grow in holiness through obedience and love. In the realm of Christian devotional literature, this religious classic has illuminated countless souls over the ages, transcending the boundaries of denominations, beliefs, and the confines of time. Within these pages, a spiritual journey unfolds intimately in heartfelt prose, providing guidance in the resistance of worldly desires, the significance of mental recollection as a precursor to meditative prayer, and finding gratitude and strength in the soothing embrace of divine consolation and the sacred rite of Eucharistic communion. One of the most influential works in Christian literature, the book is an excellent resource for historians, mystics, and those seeking private devotion. 224pp. 5 x 8.

The Dover Anthology of Classic Christmas Stories

Louisa May Alcott, Charles Dickens, Leo Tolstoy, Mark Twain and Others

Experience the warmth and wonder of Christmas through the masterful storytelling of some of our greatest literary minds. Sixteen classic stories capture the enduring appeal of the Christmas tradition, all wrapped in lore with heartwarming narratives of redemption and humorous tales of everyday life. Selections include "A Christmas Tree" by Charles Dickens, "A Country Christmas" by Louisa May Alcott, "A Kidnapped Santa Claus" by L. Frank Baum, "A Letter from Santa Claus" by Mark Twain, "The Burglar's Christmas" by Willa Cather, "The Christmas Banquet" by Nathaniel Hawthorne, "Christmas; or, the Good Fairy" by Harriet Beecher Stowe, "The Elves and the Shoemaker" by the Brothers Grimm, "The Gift of the Magi" by O. Henry, and "Where Love Is, There God Is Also" by Leo Tolstoy. 192pp. 5 1/2 x 8 1/2.

The Tales of Villa Diodati

The Origins of Iconic Science Fiction and Gothic Horror

Mary Shelley, Percy Bysshe Shelley, John Polidori and Lord Byron

In 1816, also known as "The Year without a Summer," a group of pioneering writers gathered at Villa Diodati in Lake Geneva, Switzerland, and wrote some of the most iconic Gothic horror stories in English literature. *The Tales of Villa Diodati* is the result of a legendary ghost story contest between friends confined indoors by unseasonably dismal weather. "We will each write a story," proposed Lord Byron. The challenge was the genesis of this blood-chilling anthology blending the macabre, supernatural, and romance. Selections include Mary Shelley's *Frankenstein*, the first true science fiction novel, and John Polidori's "The Vampyre," considered one of the earliest examples of the romantic vampire genre. The story was inspired by Lord Byron's "A Fragment," which is also included, as is Percy Bysshe Shelley's "Fragment of a Ghost Story." These spine-tingling tales have enthralled generations of readers for centuries. 256pp. 5 x 8.

Slang from Shakespeare

Together with Literary Expressions

Compiled by Anderson M. Baten

"It was Greek to me." William Shakespeare, the most quoted writer in the English language, is credited with inventing or introducing over 1,700 words. This handy reference showcases the bard's genius, compiling over 1,500 of his most famous epigrams, invectives, literary expressions, and philosophical poems that have found their way into our everyday vernacular — some so often, they've become clichés. From "a notorious liar" and "all the world's a stage" to "to thine own self be true" and "wild goose chase," Shakespeare's words are a testament to his genius and enduring legacy. This remarkable volume is an outstanding treasury for writers, speakers, students of literature, and any lover of Shakespeare's works. 160pp. 5 x 8.

Poems by Presidents

The First-Ever Anthology

Edited by Michael Croland

*"Well-written, thoroughly researched, and impeccably organized, *Poems by Presidents* explores an intriguing and unexpected side to many American presidents: they wrote poetry!"* —Susan Katz, author of *The President's Stuck in the Bathtub*.

This first-ever anthology features poems by eleven presidents who, through good times and bad, turned to poetry to express themselves. This compelling collection brings presidents' literary pursuits to light, unveiling their deepest thoughts and emotions. Highlights include George Washington's teenage romantic yearnings, Thomas Jefferson's death-bed adieu, John Quincy Adams's sonnet memorializing his father, Abraham Lincoln's mockery of the Confederacy, Woodrow Wilson's humorous limericks, Warren G. Harding's steamy love poems to his mistress, and Ronald Wilson Reagan's existential reflections. *Poems by Presidents* is a rewarding resource for poetry lovers and readers interested in presidential biographies and American history. 160pp. 5 1/2 x 8 1/2.

The Mystery of the Blue Train

A Hercule Poirot Mystery

Agatha Christie

Prepare to embark on a thrilling journey aboard the luxurious Blue Train, bound for the French Riviera. A beautiful heiress, a precious collection of rubies, and a love triangle form the backdrop of Agatha Christie's fifth Hercule Poirot novel. As the Belgian detective sets out to solve the murder of American heiress Ruth Kettering, the reader is thrown into a web of suspicion and intrigue. Derek, her estranged husband, seems to be the prime suspect, but as Poirot delves deeper, the truth slowly unravels. Follow Poirot's reenactment of the deadly train ride...with the murderer on board. The "Queen of Crime's" masterful blend of suspense and misdirection will keep you guessing until the astonishing end. (US Only). 208pp. 5 1/2 x 8 1/2.
