Walkies

A Dog's Tale

Estrela Lourenço

Key Selling Points

- Has a "life is what you make it" angle that, told through the dog's simple joy to be on a walk, avoids becoming overly didactic
- Portrays the strong bond between a kid and their dog, a story that will resonate with the large audience of devoted dog owners (nearly 40% of U.S. households own at least one dog) who view their pets as beloved family members
- Models responsible pet ownership, showing young readers that caring for an animal is always a responsibility but can often be fun, too
- Highlights the rewards of limiting screen time, and unplugging from technology, and in place of these activities, going outside and experiencing nature
- Wordless format encourages careful attention to pictures and facial expressions and will appeal to reluctant or beginning readers
- Story's visual design resembles graphic narratives and will appeal to comics fans
- Estrela has a sizable social following, with 12.5K followers on Instagram and 1.7K on Twitter

Summary

On a gloomy, dripping, rain-boots-required kind of day, Kid is ready to stay inside, warm and dry, and play video games. But to Dog, Kid's arrival home means only one thing: it's time for WALKIES!

Outside, rain means puddles to splash in, mud to splock in! Tiny ears perked up, tail a-wagging with joy, Dog bounds through the park, Kid in tow. Playful action sequences, bold facial expressions, and vivid illustrations all drive this wordless tale, transforming a dreary afternoon into a boisterous adventure.

While at first doubtful about the experience, Kid's attitude brightens, buoyed by Dog's playful antics and the surprises and wonder to be found outdoors. Before long, thanks to Dog's positive energy, Kid doesn't think it's such a bad day after all. In fact, it might just be the *best!*

Filled with adorable, exuberant scenes any dog owner knows well, this playful romp is sure to brighten the day of many a young reader, pet owner and non-pet owner alike.

Contributor Bio

Estrela Lourenço is a Portuguese professional children's book author and illustrator, and also a storyboard artist for animation. Prior to starting her career as a children's book author and illustrator, she studied animation at ETIC and the College of Fine Arts in Lisbon and worked in the animation industry for years. She's illustrated several other books including books in the Elixir Fixer series by Daniel Nayeri (Albert Whitman & Company, 2019, 2020), *Counting to Bananas* (Flamingo Books, 2022), and *When an Elephant Hears NO* by Dazzle Ng (Page Street Kids, 2023). She's been living in Ireland since 2009 where she met her partner and formed a little family with their daughter and dog Chewie, who adores going for very long walks.

Building a Beak

How a Toucan's Rescue Inspired the World

Becca McMurdie, Diana Hernández

Key Selling Points

- Animal lovers and activists will be inspired by this true story of a successful rescue that encouraged the Costa Rican government to pass an anti-animal cruelty law and furthered the animal welfare movement
- Represents kids engaged in activism activities such as marching and petitioning, encouraging young readers to take action and believe that they can make a difference
- Grecia is a determined and charismatic animal character that animal lovers are sure to gravitate toward
- Encourages interest in STEM, showing how innovative 3D printing technology was used to help Grecia
- Offers a positive representation of a light disability angle as Grecia regains her independence through accommodations (the beak prosthetic) and support
- Showcases the Costa Rican environment, inspiring readers to want to learn more about caring for animals and the natural environment
- Presents a historic event that took place within the last 10 years, offering a more recent, accessible history than kids are often taught
- Back matter shares a timeline, research sources, and further details about Grecia's story

Summary

In the wild, Grecia the toucan loved to soar from branch to branch and sing for all the creatures of the rainforest. Until, one night, loud voices echoed through the trees, sticks and rocks flew, and Grecia fell from her favorite avocado tree, tragically breaking her beak.

She was unable to move. Unable to sing.

Animal rescuers examined Grecia and found that she needed a new beak to survive. Though no one had ever made a toucan beak before, Grecia's determination to live drove their search for a creative solution—an innovative 3D-printed beak. As news of her story spread, people of all ages around the world came together, finding their own ways to help Grecia sing again.

While witnessing Grecia's determined spirit, readers will learn how this single plucky toucan became a symbol for the international wildlife protection movement and inspired real change in anti-animal cruelty law, saving countless animals from harm. Perfect for the young activist, engineer, or animal lover, Grecia's triumphant true story will resonate with readers of all ages, showing how determination and teamwork can make an impact and create lasting change.

Contributor Bio

Becca McMurdie is an elementary school principal in New York City by day. At night, she researches and writes children's books. She takes trips to climb up mountains, hike through rainforests, and swim in oceans and lakes any chance she gets. While living in Costa Rica for two months, she learned of Grecia's story from a local ornithologist and visited Rescate Rescue Center in Alajuela to conduct interviews with the rescue team. This is her debut picture book.

Diana Hernández grew up in San Rafael de Heredia, in the small but beautiful country of Costa Rica. She works as a colorist and illustrator and hopes to work as a concept artist for the animation industry. She dreams of working on projects charged with emotions that make people feel understood, hopeful, happy, and less lonely.

Scorch, Hedgehog of Doom

Cate Berry, Margherita Grasso

Key Selling Points

- Presents a perspective on self-image and identity that's not black and white, showing young readers how seemingly contradictory aspects of your identity come together to make you unique
- A humorous and dramatic character that, when read aloud, will engage even reluctant readers
- Classroom setting makes it a natural choice for teachers and librarians
- Provides a framework for young readers to deal with others' images or perspectives on them
- By portraying the inner life and emotions of class pets, provides a fresh take on popular "when humans are out" franchises such as Toy Story/Secret Life of Pets
- The high drama of Scorch's character will appeal to readers who love genre fiction and comics
- Margherita Grasso has 23.5K followers on Instagram, Cate Berry has 1.2K followers and is established in the kidlit space

Summary

Scorch the hedgehog is determined to be ferocious. The doomsy-est, most menacing class pet ever known. She's not just Scorch, she's... Scorch, Hedgehog of Doom!

There's just one problem—Scorch is kind of adorable. So adorable, in fact, that it's all anyone ever notices.

With each swirl of her cloak, each sharp claw raised high, each baring of her chilling chompers, the kids of room 402 don't fall back in fear or quiver with tears. Instead, they cry, "Awww! Adorable!"

Tired of being seen as just one thing, Scorch flies into action, determined to show how truly terrifying she can be. But when her flipping, training, and high-flying efforts land her in true danger—the home of the classroom's other scaled, slithering, cold-blooded animal occupant—Scorch must harness and embrace *all* the parts of her unique self. Put to the ultimate test, she finds power in being ferociously adorable and killer cute.

Readers will fall for this ferociously "awww"-inspiring story starring a beloved class pet about self-image, identity, and finding harmony among the many different, sometimes contradictory pieces of ourselves.

Contributor Bio

Cate Berry lives, writes, and teaches creative writing in Austin, Texas. She is the author of numerous picture books, including *Penguin & Tiny Shrimp Don't Do Bedtime!*, *Chicken Break! A Counting Book*, and *Thank You, Teacher!*. Recently, she co-authored *Kobe Eats Pizza!* with Ashley Wian. Cate holds an MFA in Writing from Vermont College of Fine Arts and has been a featured author and presenter at the Texas Book Festival and many SCBWI conferences. Visit her at www.cateberry.com.

Margherita Grasso is an illustrator and graphic designer, living and working in Milan, Italy. She studied illustration and digital and virtual design at Istituto Europeo di Design. She loves to represent the world around her with colors and humor. Where there's a shadow, there's a light, too, and in all her illustrations the light and its reflections are the protagonists.

The Three Little Guinea Pigs and the Andean Fox

Ana Velez

Key Selling Points

- Showcases the culture and animals of Andean South America, providing a light, non-didactic lesson on the environment and animals native to the area
- Presents a progressive, community-centered take on the classic “Three Little Pigs” fairytale, as animal community members band together to help the pigs
- Provides visual clues for the surprise celebratory ending, encouraging young readers to engage with the story and make inferences about what’s to come
- Repetitive structure of the story recalls classic fairytales and allows beginning readers to help tell the story
- Underscores the power of teamwork as all the animals and materials come together to build a joyful community performance space
- Kichwa (indigenous language of Andean South America) and Spanish words are incorporated throughout the text and featured in a back matter glossary
- Back matter includes information about animals of the Andes and a snow treat recipe

Contributor Bio

Ana Velez is an Ecuadorian-born author/illustrator living in Portland, Oregon. She has a bachelor’s degree in fine arts and a master’s in teaching special education, and as a teacher, she learns from neurodiverse children every day. When she’s not at the beck and call of her feline rulers, she enjoys paddleboarding down a river with her husband in search of the perfect water-picnic spot.

Malicia

Steven dos Santos

Key Selling Points

- Full of twists, turns, and surprising reveals, horror fans will love the slasher meets thriller energy of close friends being picked off one by one
- With monsters pulled from Dominican folklore, the villains and setting offer a new approach to classic horror
- This book has a tightknit cast of Dominican American characters each reflecting a unique relationship to their culture and each other with exes, crushes, and friends all fighting to save each other

Summary

High school friends, Ray, Sophia, Joaquin, and Isabella embark on a perilous Halloween weekend to Malicia, a now defunct horror theme park off the coast of the Dominican Republic.

Ray enlisted his friends to help him make a documentary of the park where his mother and brother were murdered in a mass killing. But what Ray doesn't know is that Joaquin, his crush, was the sole survivor of that massacre all those years ago. With an impending hurricane and horrors around every corner, they all struggle to survive the park while discovering secrets about each other as their weekend adventure goes off the rails.

The group must not only face the deadly storm and their own inner demons, but also the ancient malignant presence on the island, threatening to plunge them into madness, and destroy them one by one.

Contributor Bio

Dominican-American author Steven dos Santos is the author of The Torch Keeper series and *Dagger: The Dust Ops*. Steven is an adjunct English Professor and a passionate advocate of LGBTQ+ rights. He currently resides in Miami.

Word, The

Mary G. Thompson

Key Selling Points

- Cults hold a dark fascination for readers, and Mary provides a nuanced portrayal of a girl struggling to live within such a community, as well as what life is like after.
- Compelling and emotional, Mary explores isolation, family, and the courage to question. Despite the dark themes, it is ultimately hopeful.
- There is huge interest in series like *Keep Sweet: Pray and Obey*. Mary combines the suspense of cult stories with an incredibly moving, nuanced perspective. It's the kind of story that will spark deep discussion—a perfect pick for book clubs.
- This is a page-turner, a great pick for reluctant readers looking for voice-driven contemporary.

Summary

After her parents split up, seven-year-old Lisa's father convinces her to leave out the window in the middle of the night. After all, according to their religion, she belongs to him, and it is her duty to obey him. Ever the dutiful daughter, at least on the outside, and confused about the sinful changes in her mother (she's cut her hair, there's a new man around, she's had a baby with him), Lisa complies.

She spends the next nine years on the run before the police finally catch up with her father, and she is returned to a mother who is "dead" in the eyes of their religion. But her father always had a plan for when the law came and took what was his—a plan that was set in motion the moment the police arrived at their home.

Now Lisa must make a decision: follow the plan and go home again with the hope that she'll see her brother and father again, or risk everything to figure out what life could be when she makes her own choices.

Contributor Bio

Mary G. Thompson is the author of the YA contemporary thriller *Amy Chelsea Stacie Dee*, which was a winner of the 2017 Westchester Fiction Award and a finalist for the 2018-2019 Missouri Gateway award, as well as several sci-fi/fantasy novels for children and young adults. She lives in Washington, DC.

Don't Be a Drag

Skye Quinlan

Key Selling Points

- Drawing from the exploding popularity of drag through series like *RuPaul's Drag Race* and the *Boulet Brother's Dragula*, *Don't Be a Drag* offers a fun new take on the competition-based YA rom-coms.
- While drag queens have become familiar in the current zeitgeist, drag kings are underrepresented in the drag world and this book offers an exciting window into the gender expansiveness that drag can provide.
- With the increasing success of sapphic contemporary rom coms like Adiba Jaigirdar's *Hani* and Ishu's *Guide to Fake Dating*, Casey McQuiston's *I Kissed Shara Wheeler*, *Don't Be a Drag* offers a fun new entry to this increasingly popular subgenre.
- Don't Be a Drag* is comedy laced with real issues common to today's teens dealing with popular mental health topics of depression and anxiety.

Summary

When eighteen-year-old Briar Vincent's mental health takes a turn for the worst, her parents send her to spend the summer in New York City with her older brother, Beau, also known as the drag queen Bow Regard.

Backstage at the gay bar where Beau performs, Briar just wants to be a fly on the wall, but she can't stand by when the cute but conceited drag king Spencer Read tries to put down another up-and-coming performer. To prove to him that even a brand-new performer could knock him off his pedestal, Briar signs up for the annual drag king competition.

There's just one flaw in her plan: Briar has never done drag before.

With the help of her brother and a few new friends, Briar becomes Edgar Allan Foe, a drag king hellbent on taking Spencer down. But unless she can learn how to shake her anxiety and perform, she doesn't stand a chance of winning Drag King of the Year, overcoming her depression and inner demons, or avoiding falling for her enemy, who might not be so bad after all.

Contributor Bio

Skye Quinlan (they/them) is a queer, autistic author of YA fiction. They're an avid reader, have an absurd amount of crystals and gemstones, and if they're not tending to their garden, you can usually find them playing Animal Crossing. Skye lives in Ohio with their wife, two dogs, a snake, and two lizards.

Furious

Jamie Pacton, Rebecca Podos

Key Selling Points

- Capitalizes on the massive popularity of the *Fast & Furious* franchise (one of Universal's most successful film franchises, grossing \$6.6 billion at the box office worldwide), which now spans 10 films with the latest releasing in May 2023
- A satisfying sapphic romance that feels fated but also builds over time with humor and heart
- Provides needed representation of teen girls with interest in cars, motorcycles, mechanics, and motorsports
- Readers fond of cars and horses will love watching Jojo and Eliana's relationship grow around their shared interests
- Emphasizes the importance of family and found family and mending ties with loved ones, which the *Fast & Furious* franchise also emphasizes
- Teen readers looking for a summer romance will love the small-town summer setting
- Full of humor, action, and mystery with something for almost every reader
- Jamie Pacton and Rebecca Podos are both established authors in the YA market and community with active social media presences; Becca has 20.5K followers on Twitter and 1.4K on Instagram; Jamie has 3.8K followers on Twitter and 2.4K followers on Instagram

Summary

After years racing go-karts and looking up to her mother, a celebrity Formula 1 racer, Jojo Emerson-Boyd should be starting her own racing career. But when she loses her mom in a tragic crash, Jojo's future comes to a screeching halt. Now her dad won't let her get a license, much less race. Instead, she's stuck working at her grandmother's mechanic shop in the sleepy small town of Dell's Hollow.

But Jojo's heart quickens when Motorcycle Girl Eliana "El" Blum shows up at the shop. El grew up on the motocross circuit sidelines, watching her sister and idol Maxine compete. When El mysteriously loses all contact with Max, she's determined to find her, with her first clue leading straight to the mechanic shop, and to Jojo.

United by fate, the two quickly bond over Mario Kart showdowns and the *Fast & Furious* films. As their friendship shifts into something more, they'll have to confront both their growing romance and the grief woven into their complicated families if they hope to chase down their dreams and make it across the finish line.

Contributor Bio

Jamie Pacton is an award-nominated YA author who lives in Wisconsin with her family. She has a BA and MA in English Literature and teaches English at the college level. Her YA contemporary books include *Lucky Girl* and *The Life and (Medieval) Times of Kit Sweetly* (Page Street).

Rebecca Podos is a Lambda Literary Award-winning author of several YA novels. Her latest releases are *Fools in Love* (Running Press Kids), a co-edited YA anthology with Ashley Herring Blake, and the YA fantasy novel *From Dust, A Flame* (Balzer + Bray). By day, she's an agent at the Rees Literary Agency in Boston.

Unboxing of a Black Girl, The

Angela Shanté

Key Selling Points

- In an experimental style reminiscent of Carmen Maria Machado's *In the Dream House*, this poetic memoir finds catharsis in the complicated childhood of black girls
- For readers interested in cultural understanding, this memoir offers an accessible view into the nuances of Black girlhood
- Set in New York City, this collection offers an appealing setting rich and familiar to readers across the world to explore the nuances of urban Black childhood
- Shanté's background as an educator and children's book author infuses her prose with a high level of narrative clarity within these deeply personal topics and details like footnotes offer alternative points of access to engage with and further enrich her stories
- In the face of US library bans, consumers are rallying support around texts by and for Black authors

Summary

Written as a collection of vignettes and poetry, *The Unboxing of a Black Girl* is a creative nonfiction reflection on Black girlhood. The debut YA title, by award-winning author Angela Shanté, is a love letter to Black girls set in New York City and serves as a personal and political critique of how the world raises Black girls.

As Shanté navigates the city through memory, she balances poetry with vignettes that explore the innocence and joy of childhood eroded by adultification. Through this book, she illuminates the places where Black girls are nurtured or exploited in stories and poems about personal and political boxes, love, loss, and sexual assault. Many entries are also studded with cultural footnotes designed to further understanding.

Contributor Bio

Angela Shanté is an elementary education teacher by trade. She taught for ten years in her hometown of New York City where she received an MFA in creative writing from the City College of New York. Currently she's an education content editor and Literacy consultant in southern California. Her first two books and third on its way were released through West Margin Press.

At the End of the River Styx

Michelle Kulwicki

Key Selling Points

-Using the evergreen appeal of Greek mythology, the tragic romance of *At the End of the River Styx* is set in a haunting underworld with the mythic Ferryman set as the antagonistic embodiment of death

-This novel plays into the epic tradition of Greek tragedy as well as contemporary melancholy queer romance trend contemporaries like Adam Silvera have forged the way with titles like *The First to Die at the End*

-*At the End of the River Styx* is an incredibly nuanced portrayal of the slope of depression that can happen in grief and shines a light on the loving anchors that help you return to life after a death

Summary

Before he can be reborn, Zan has spent 499 years bound in a 500-year curse to process souls for the monstrous Ferryman—and if he fails he dies.

In Portland, Bastian is grieving. He survived a car accident that took his mother and impulse-purchased a crumbling bookstore with the life insurance money.

But in sleep, death's mark keeps dragging Bastian into Zan's office. It shouldn't be a problem to log his soul and forget he ever existed. But when Zan follows Bastian through his memories of grief and hope, Zan realizes that he is not ready for Bastian to die.

The boys borrow time hiding in the memories of the dead while the Ferryman hunts them, and Zan must decide if he's willing to give up his chance at life to save Bastian—and Bastian must decide if he's willing to keep living if it means losing Zan.

Contributor Bio

Michelle Kulwicki (she/they) is a mother of three and a professional cellist by night. Her short stories have been published in *Fusion Fragment* and *Ellipsis Zine*, as well as many other anthologies and literary magazines. *At the End of the River Styx* is her literary debut.

The House Where Death Lives

Alex Brown, Nova Ren Suma, Gina Chen, Traci Chee, Linsey Miller, Rosiee Thor, Courtney Gould, Kay Costales, Liz Hull, Shelly Page

Key Selling Points

- Featuring a National Book Award and Kirkus Prize Finalist, an Edgar Award Finalist, New York Times Bestselling authors, Kirkus and Booklist starred-review authors, a Winter/Spring 2023 Indies Introduce Title, forthcoming debuts, and a wide-array of diverse, #ownvoices authors, this anthology is a literary powerhouse
- *The Gathering Dark* was Page Street's first indie bestseller, and *This House is Haunted* capitalizes on the growing interest in both horror and anthologies.
- Each story takes place in a room of the haunted house, making it a unique collection that gives the feeling of walking through a haunted house.
- Features a diverse collection of stories from authors from a variety of backgrounds.

Summary

A dance to the death. A girl who's just as monstrous as H.H. Holmes. A hallway that's constantly changing—and hungry. All of these stories exist in the same place—within the frame of a particular house that isn't bound by the laws of time and space.

Following in the footsteps of dark/horror-filled YA anthologies like *His Hideous Heart* and *Slasher Girls and Monster Boys*, and Netflix's ground-breaking adaptation of *The Haunting of Hill House*, this YA speculative fiction anthology explores how the permanence of a home can become a space of transition and change for both the inhabitants and the creatures who haunt them.

Each story in the anthology will focus on a different room in the house and feature unique takes on monsters from a wide array of cultural traditions. Whether it's a demonic Trickster, a water-loving Rusalka, or a horrifying, baby-imitating Tiyanak, there's bound to be something sinister lurking in the shadows.

Contributor Bio

Alex Brown (she/her) is a queer biracial Filipino American writer who loves to root for the final girl—especially if she's a monster. She is also the co-creator of *The Bridge*, a haunting, folklore-filled narrative fiction podcast that's had over 1,000,000 downloads to date! Alex has a story in the Indie Bestselling YA Folk Horror anthology, *The Gathering Dark* and is co-editing *Night of the Living Queers*, a YA Horror anthology. Alex lives in Los Angeles with her partner and their two chaotic cats. Alex's YA Comedy-Horror debut, *Damned If You Do*, was published in fall 2023.

Helga

Catherine Yu

Key Selling Points

- This engaging book is an incredibly voice-y horror comedy; HELGA reads as if an Asian Georgia Nicolson (of *Angus, Thongs, and Full-Frontal Snogging*) were the protagonist of Martha Wells' *The Murderbot Diaries*.
- This story is grounded in the climate anxiety that today's teens are born into with a view that is apocalyptic but still approachable in its optimism
- Incorporating complex themes of environmentalism, autonomy, and exploitation as well as Cronenbergian body horror, HELGA centers a teen girl's experience living on the edge of a man-made climate apocalypse and workers' rights crisis in a way that is compelling, wildly entertaining, and reminiscent of modern worker exploitation.
- The setting of a volatile island between North America and East Asia provides a fantastical foreground for nuanced representation of the Asian American diaspora.
- This is an excellent follow-up to Yu's debut novel in the supernatural horror genre and contains many thematic elements that echo *Direwood* with a new relatable protagonist.

Summary

Helga is not the obedient science experiment her father intended. And though she has only just awoken, he leaves her in the care of his lab assistant Penny to go on a business trip.

Bursting with curiosity, Helga quickly escapes from the well-meaning Penny and heads into Amaris City. There Helga finds she is as untamable as the invasive blackberry vines overtaking the island. And because of the misdeeds of her father's scientific community, the natural world grows more volatile.

Helga soon discovers the night market, rowdy clubs, delicious food, and cute boys. Enamored with city life, she'll do anything to find love—but she has only two weeks until her father gets back, and besides there are ominous rumblings from the volcanic island that could put her dating schemes, and even her own life, in grave peril.

Contributor Bio

Catherine Yu writes dark speculative fiction. She is the author of *Direwood*, and her story "Balloon Girl" was published in the horror anthology *Death in the Mouth*. She was born in Nanjing and is now based in New York.

The New Artist's Guide to Drawing

Learn How to Draw People, Animals, Landscapes and More the Easy Way

Mark Liam Smith

Key Selling Points

Many outlets, including Neuroscience News and the World Economic Forum, report on the benefits of drawing in children—including improving creativity, communication skills, memory, and overall learning; *The New York Times* also that drawing can promote better mental health.

Research shows that many children stop drawing around the ages of 9 or 10. This book is targeted at children within that age range and serves to encourage kids to keep drawing so they can continue to enjoy the many benefits of drawing and creativity.

Page Street has seen great success with craft/art related kids' activity books, like *Express Yourself* (2018, 10k nets sales) and *Low-Mess Crafts for Kids* (2019, 67k net sales) and other art books like *15-Minute Watercolor Masterpieces* (2019, 67k) and *Wildflower Watercolor* (2023, 14k). This book sits at the intersection of both of these categories, positioning it well on our list.

Mark has a dedicated following of 2.5 million on TikTok, with an additional 25k on Instagram and 11k on YouTube.

Summary

With the help of professional artist and TikTok sensation Mark Liam Smith, tweens can build their foundation of drawing skills from the bottom up. Get your drawing journey off to the right start with an introduction to techniques like shading, texture, perspective and more. Liam Smith breaks down seemingly complicated techniques and subjects into simple steps that kids of all skill levels can execute.

Detailed yet approachable tutorials for drawing faces and the human body help new artists capture the nuances of human expression on paper. Take a deep dive into drawing animals and learn techniques for sketching realistic fur and feathers to bring kid-favorite subjects like dogs, eagles, tigers and giraffes to life. Other chapters explore drawing trees, water, flowers, fruits and more—in every project, Mark shares valuable insights and tips to help kids constantly improve and grow as an artist.

With Mark's guidance and detailed step-by-step tutorials, this book inspires young artists to improve their drawing skills and make creativity a focus in their live.

This book contains 35 projects and 35 final illustrations, plus step by steps.

Contributor Bio

Mark Liam Smith is an oil painter and artist who has had his art exhibited around the world. He teaches drawing skills on social media, where he's amassed millions of followers. He has been granted the Emerging Artist Award by the Federation of Canadian Artists and has had his art featured by the *Toronto Star*, *CBC*, *Create! Magazine*, and more. He lives in **Toronto, Canada**, with his family.

Doodle All the Animals!

Learn to Draw 200+ Cute Critters

Amy Latta

Key Selling Points

-- Amy is the esteemed author of eight books including *Hand Lettering for Relaxation*, which has sold over 142,000 copies to date, and the recently successful *Doodle Everything!* Her latest book will be a continuation of the *Doodle Everything!* series, and is eagerly awaited by her devoted fan base.

-- With eight instructional books under her belt, Amy is an excellent and proven teacher. She breaks down seemingly complex techniques into easy, beginner friendly step by steps for any and all interested in learning to draw.

--The lay flat binding, durable, woodfree paper and blank practice spaces—a fan-favorite feature of *Doodle Everything!* as well as Amy's hand lettering series—make this an enjoyable, high-quality workbook for readers.

-- Broken down by the habitats each animal lives in, this book includes an adorable illustration for every animal you can imagine and is perfect for animal lovers of all ages.

Summary

The Ultimate Collection of Doodles from the Wild Side

Animal lovers, grab your pencils! Take your doodles to the next level with adorable, easy-to-draw wildlife from Amy Latta, bestselling author of *Doodle Everything!* From aardvark to zebra, Amy breaks down each animal drawing into simple shapes and effortless steps that produce the cutest creatures every time, no matter your age or skill level. Plus, blank practice spaces are provided throughout so you can doodle as you go!

As you draw along, you'll love learning unexpected facts about your favorite animals: Did you know woodpeckers have a unique bone that protects their brains from damage when pecking? Or that nine-banded armadillos almost always give birth to identical quadruplets? With bonus tutorials on how to draw animal families and habitats, you'll be decorating notebooks, planners, greeting cards and more with doodles like:

- A pack of wolves howling at the full moon in a forest clearing
- A color-filled under-the-sea scene complete with angelfish, anemones, sharks and even a blobfish!
- A pride of lions (including a lioness and cub!) ruling over the grassy savanna
- Your very own furry best friend at home, from retrievers and bulldogs to calicos or hermit crabs

Let your creativity run wild on every page with this encouraging, easy, all-in-one collection!

Contributor Bio

Amy Latta is an arts and crafts expert and the author of nine books, including *Doodle Everything!* and *Hand Lettering for Relaxation*. She has created designs for national brands such as Starbucks and Gap stores. She resides in Hampstead, Maryland. Learn more at AmyLattaCreations.com.

The Ultimate Guide to College Cooking

Easy, Healthy Meals Using Your Hot Plate, Microwave or Dorm Kitchen

Julia Kuzman

Key Selling Points

- Julia has a strong following on Instagram (which was 90K just a few weeks ago and has since increased significantly to 129K).
- Cookbooks specifically for college students are continuing to sell well on the market in recent years, with Callisto Med's Budget-Friendly College Cookbook at 7,892 copies and The One-Pan College Cookbook selling 7,598 copies.
- More and more young people are eating healthy as opposed to eating fast food. According to a recent study, younger generations are becoming more focused on healthy living overall: <https://www.texashealth.org/areyouawellbeing/Health-and-Well-Being/Study-Shows-Younger-Generations-Are-More-Health-Conscious-Than-Previous-Generations>
- Julia's recipes are designed for young people in every kind of living space, whether that is a small apartment with limited cooking space or a dorm room with minimal equipment available.

Summary

Cooking in a college setting just got a whole lot simpler with these delicious recipes designed for students with on a limited budget. With one-pot meals to cook on your hot plate or throw-together dishes to heat up in the microwave, this is your one-stop shop to easy and affordable eating that fits into any academic schedule. Julia's collection of recipes for healthy, balanced eating is both sustainable and affordable for every young person looking for ways to spend less time in the kitchen and finally ditch their fallback ramen noodles!

Costly (and often unhealthy) takeout meals are a thing of a past with these fantastic meals that cook up in minutes and have minimal ingredients. Start your morning by grabbing some Chocolate Overnight Oats or Matcha Yogurt with Berries and Granola from your mini fridge before you head to class. Make yourself a quick lunch on your hot plate with the Glass Noodle Veggie Stir Fry or skip cooking altogether with options like Chicken Lettuce Boats or the Buffalo Chickpea Wrap. Wind down from a busy day of learning with Homemade Teriyaki Salmon, Simple Paella, or Pumpkin Pasta. Much-needed study break snacks include Refried Bean Taquitos, Chocolate Hummus, or Carrot Cake Bites.

Whether you are a college student or a parent sending their child off to college, be sure to add this awesome collection of recipes to your list of back-to-school essentials.

This book will have 60 recipes and 60 photos.

How to Cook a Steak (and Other Life-Changing Recipes to Elevate the Food You Already Cook)

Mike Alfarah

Key Selling Points

- With 149.5K followers on Tiktok and 202K followers on Instagram, Mike's sizable and devoted audience will jump at the opportunity to buy his book.
- Each delicious recipe in this book is easy and accessible for all skill levels, ensuring that even the most beginner home cooks will be able to achieve restaurant-quality meals with minimal effort.
- These innovative recipes will help elevate common meals that have long since lost their excitement. Thanks to Mike's creative approach to cooking, mundane weeknight meals will once again become something to look forward to.

Summary

Show-Stopping Recipes and Ingenious Techniques to Master Every Meal

Mike Alfarah, creator of Alf's Kitchen, has a knack for making the classics exciting again. Take the beloved steak—you've prepared it numerous times, but Mike's reverse sear method ensures spot-on flavor and texture without the guesswork.

In this must-have collection of innovative recipes, you'll find easy ways to introduce impressive flavors and techniques to your favorite meals. Use a smoker to add depth of flavor to your mac and cheese, or a cast iron skillet to impart the perfect crunch to your pizza crust. Learn a special slicing method that guarantees your potatoes absorb the most flavor possible, and incorporate lamb into your burgers for the ultimate twist on the original.

All these amazing recipes beg you to take your cooking game up a notch, and with detailed guidance from the master himself, you're bound to succeed. Whether you're new to cooking or looking to add some more "umph" to your meals, these foolproof recipes will make you the star of your kitchen.

Contributor Bio

Mike Alfarah is the creator of the food blog Alf's Kitchen, where he shares his recipes for delicious steaks, sides and more. He has partnered with brands including Whole Foods Market, Dalstrong and Heinz. Mike lives in Ohio.

Hunting Mushrooms

How to Safely Identify, Forage and Cook Wild Fungi

Barbora Batokova

Key Selling Points

- Barbora has 113k dedicated followers on Instagram.
- With 100 full-color photos, 30 in-depth mushroom profiles and 15 recipes, this book is packed with information at the competitive price of \$25.
- Mushroom cultivation and foraging have exploded in popularity in recent years. Outlets like *The Washington Post* and Salon have described a "mushroom boom" in 2022 and 2023.
- Barbora will be sourcing information and photographs for the book from the Northeast of the United States, as well as her family home in the Czech Republic. Because of these dual climates, the mushrooms covered in this book will be accessible to foragers across North America and Europe and expand the book's audience.

Summary

Your #1 Resource for Harvesting Edible Mushrooms

This trusty guide will help you break into the world of mushroom foraging with confidence. With in-depth profiles of 25+ mushrooms, you'll learn to identify prized specimens like chanterelles, king boletes, lion's mane, morels or chicken of the woods. Each profile details the species' unique features, as well as where and when it grows, so you have all the information you need to begin correctly hunting these fungi. And with a host of beautifully detailed photos, including images of poisonous species to steer clear of, you'll have a key visual reference to ensure you are foraging accurately and safely. Accompanied by rustic recipes to cook up your finds and a fascinating history of fungi, as well as expert, up-to-date research, this incredible resource will guarantee a successful start to your mushroom foraging journey.

Contributor Bio

Barbora Batokova is the photographer and writer behind *fungiwoman*. An avid mycophile, Barbora started foraging mushrooms as a child in the Czech Republic. She now hosts guided mushroom walks around Pittsburgh, Pennsylvania, where she currently lives. Follow her journey @fungiwoman.

Magical Mushrooms Coloring Book

Marina Terauds

Key Selling Points

-- Marina has 63.8k followers on Instagram, and her mushroom-inspired artwork are often the posts that see the most engagement

-- Mushrooms are incredibly trendy with mushroom décor and cottagecore aesthetics taking over the mainstream, and Marina's style is perfectly suited for that crowd. This trend has been noted by many popular magazines such as *Elle* (July 2022), *Glamour* (Dec 2022), and most recently *The New York Times* (March 2023).

-- Marina's work was recently featured in *Enchanted Living* magazine and has also been featured in several international magazines such as *Giuliana Ricama* magazine (Italy) and *Mitteilungen* magazine (Germany).

-- Page Street has strong sales records with adult coloring books, and is already seeing 100+ preorders with *Spooky Coloring Book* another Page Street coloring book in the cozy, cottagecore space.

Summary

Get Lost in the Fantastical World of Fungi!

Embark on a journey of creativity and color as you bring your favorite fungi to life. Dance atop fly agaric with faeries, parachute down with snails onto the spongy tops of white morels or toast scarlet elf cups at a frog tea party. There are shroom houses, cities and even an entire planet all featuring intricate details and lines that will keep you mesmerized for hours. Or ground yourself by coloring in some simple yet stunning pieces such as an overflowing forager's basket or comforting mushroom soup. With the perfect balance of warmth and whimsy, these breathtaking illustrations will transport you to the cozy escape you've been dreaming of.

Foolproof Perspective Drawing

Your Ultimate Guide to Creating Lifelike Buildings, Cities and Scenes

Roberto Bernal

Key Selling Points

-- Roberto is a master of his craft, with a combined audience of over 900k followers across his social media platforms (BKArtchitect). His accessible tutorials have helped him build a wide-reaching artistic community with followers tuning in from across the globe.

-- This book will join Page Street's expanding successful art book collection. As a cornerstone of base drawing and painting techniques, this book helps fill a gap in our current backlist and provides an essential resource to artists, designers, drafters and architects.

-- Perspective drawing has long intimidated artists (and frustrated beginners). Foreshortening and depth-filled drawing and paintings not only allow for stunning works of art (as shown in the explosion of linear perspective drawing and painting in the Renaissance), but also enable practical architectural and design sketches used by architects, interior designers, graphic artists and other creative professionals.

Summary

Master Perspective Drawing in a Flash with Shockingly Simple Techniques

Intimidated by perspective drawing? This all-inclusive guide will quell your fears and have you creating architectural masterpieces in no time at all. Join artist and educator Roberto Bernal, and learn the secrets of perspective drawing, starting with the most basic shapes and lines. As a former architect who switched careers to focus on his passion for perspective drawing, Roberto is all about diving into the need-to-know information, without bogging you down with a bunch of unnecessary theory.

In 14 detailed lessons with accompanying step-by-step projects, you'll learn the ins and outs of one-, two- and three-point perspective. He also shares expert tips for how to craft a convincing staircase, construct a beautiful building and create depth-defying bird's-eye views of cities. But Roberto's techniques aren't limited to the urban realm; with universally-applicable lessons like Height, Depth and Spatial Awareness or Putting Nature in Perspective, you'll be drafting rural landscapes with ease.

By breaking this often-intimidating art form into easy and accessible steps, Roberto opens you up to the approachable world of depth illusions and realistic cityscapes. Learn to draw the world as you see it in this beginner-friendly guide to perspective drawing.

Contributor Bio

Roberto Bernal is an architect and artist. Dedicated to making the art of perspective drawing fun and approachable, he teaches courses to students of all ages, explaining easy Renaissance perspective techniques. Roberto currently lives with his family in Bogotá, Colombia.

Girls Just Wanna Bake Cupcakes

Easy, Delicious Desserts Inspired by the '80s

Courtney Carey

Key Selling Points

- Represents the 2023 popular baking trend known as "Newstalgia," which are desserts made for people to connect with their past, taking classic flavors and giving them a fun twist.
- Courtney has an incredibly strong social media presence, with a current following of 209K on Instagram and 342K on TikTok.
- The decade of the 1980s is a very hot topic right now, with popular series such as Stranger Things and reboots of classic films like Top Gun and Indiana Jones, proving that the 80s aesthetic has a strong appeal with consumers.
- The book includes recipes designed for bakers of all levels to make the baking process fun and less intimidating, as well as offering baking tips to improve baking skills.

Summary

Served up with a side of sweet and delicious nostalgia, baking blogger Courtney Carey introduces her incredible series of cupcake recipes, all inspired by the decade of the 80s! Filled with delicious desserts guaranteed to brighten your day and make you a certified cupcake pro, this is a must-have baking book to add to your shelf.

Baking cupcakes has never been easier with these foolproof recipes that add a pinch of 80s magic, with childhood lunchbox-inspired treats like Cosmic Brownie Cupcakes, Rice Krispie Treat Cupcakes, or Peanut Butter and Jelly Cupcakes. More of a cookie or candy person? Courtney has you covered! With recipes like Chocolate Chip Cookie Dough Cupcakes, Nutter Butter Cupcakes and Snickers Cupcakes, your average everyday cupcake gets a full 80s makeover and becomes something truly extraordinary. You'll find delicious options inspired by famous 80s songs, including It's a Nice Day for White Almond Cupcakes or Big Time Birthday Cupcakes, or treats inspired by popular 80s slang, like Cowabunga Confetti Cupcakes and Totally Tubular Chocolate Cupcakes. You will also find helpful tips on how to achieve cupcake baking success, frosting piping techniques, and even recipe extras that include fun fillings and sauces to kick up the flavor in your creations.

Grab your whisk, blast some Bowie and have the time of your life whipping up these simple, yet delectable treats.

This book will include 60 recipes and 60 photos.

Contributor Bio

Courtney Carey is the creator of the baking blog Cake Me Home Tonight, which exploded in popularity after one of her baking videos went viral on TikTok. She also works as a licensed mental health counselor. Courtney lives in Buffalo, New York with her family.

Summary

We've all been there: you're running out the door and looking for something in the fridge, and after an abysmal look-around, you opt for eating out *again*. Luckily, you never have to settle for heavily processed meals with unnamed ingredients again; Snezana Paucinac makes meal prep not just easy, but rewarding, exciting and delicious too. She offers weekly meal plans, accompanying recipes, shopping lists, and guides to prep components for large-batching cooking. It's never been easier to forego the greasy sandwich and opt instead for mouthwatering meals like Blueberry Oat Muffins, Miso Glazed Tofu Wrap, Shrimp Risotto and Chicken Enchiladas.

With Snezana's recipes, you'll always feel good about what you're eating: all of her meals feature unprocessed foods, fresh vegetables and fruit, and nutrient-dense grains bound to leave you full for hours. By cooking just one or two of her recipes a week, you'll give yourself the gift of having a consistently fresh meal with ingredients you trust. Your body (and your wallet) will thank you!

This book will have 60 recipes and 60 photos.

Contributor Bio

Snezana Paucinac is the author of *5-Ingredient Clean Eating Cookbook*. Caitlin Prettyman

Key Selling Points

- Cal-Mex has become a hot culinary trend on the West Coast and has begun to gain popularity across the U.S. According to the FoodService Direction, this Golden State cuisine is on the rise and can be found in restaurants across the country. <https://www.foodservicedirector.com/menu/cal-mex-culinary-trend-golden-state>
- Caitlin has a strong social media following with 224K currently on Instagram.
- More and more readers are looking for sustainable ways to maintain healthy eating, and this book will offer those types of dishes with minimal cooking time.
- This book will appeal to a broad audience, as it is a fresh, healthy version of the popular cuisine Tex-Mex cooking.

Summary

Get ready to kiss those long, complicated dinners goodbye and free up your weeknights with these easy-to-make knockout meals! Caitlin Prettyman, host of the popular blog Kalefornia Kravings, introduces her series of Cal-Mex recipes that puts a nourishing spin on Tex-Mex cuisine and has taken the West Coast by storm. As a Southern California resident, Caitlin is well-versed in the cooking world of Cal-Mex and is here to provide you with quick, flavorful recipes to whip on those busy evenings.

With a variety of proteins, plant-forward dishes, and an array of colorful, seasonal ingredients, these meals will satisfy every type of culinary craving – all coming together in 30 minutes or less! Make your dinner guests say wow with showstopping meals like Chipotle Garlic Butter Steak Bites, Crispy Coconut Shrimp with Sweet Chili Mango Sauce, Al Pastor Chicken Tacos with Fresh Pineapple Salsa, and Grilled Pork Chops with Spicy Peach Salsa. With additional recipes that include satisfying salads and one-bowls meals for even simpler food assembly, your dinner plans just got a whole simpler and way more delicious.

A California-inspired variety of Mexican cooking that bursts with flavors of citrus and chipotle – extra avocado included – has never been easier with Caitlin’s everyday guide to amazing homecooked dinners.

This book will include 60 recipes and 60 photos.

Contributor Bio

Caitlin Prettyman is the host of the food blog Kalefornia Kravings that fell in love with cooking in college and has never looked back. She lives in San Diego, California.

The Complete Guide to Handmade Stained Glass

12 Step-by-Step Projects for Lead-Free Glass Art at Home

Rosie Linebaugh

Key Selling Points

-- The book will have fold-out templates for all of the projects, making it easy to trace the patterns onto glass for precise, successful cuts, which will appeal to newcomers to the craft.

-- Rosie has a dedicated following on Instagram, with 167k followers, and nearly 300k on TikTok; her audience purchases much of her work as well as asks questions via messaging to learn the craft.

-- This book is very accessible to people who are new to stained glass art by thoroughly outlining all of the tools, safety precautions, and every step of the glass art process with images.

Summary

Everything You Need to Know to Start Your Stained Glass Journey

Dive in to the captivating world of stained glass with this practical handbook for beginners and beyond. Rosie Linebaugh is an expert in making modern stained glass art easy and accessible. With her encouraging advice, step-by-step tutorials, lead-free approach and full-size perforated, fold-out templates at hand, you'll never want to leave your stained-glass studio.

Begin by mastering foundational skills like cutting curves for a sunlit Five-Petaled Wildflower or learning how to use zinc came for a shining Glass Spider Web. Then, discover the ways that new materials and skills can elevate your pieces, like using copper foil overlay to make intricate wings on a Buzzing Bumblebee. Finally, graduate to making complex detailed panels like the radiant Sun & Moon Dreamscape with wire work details.

Not only does Rosie guide you through each phase of your journey, she also addresses the most common questions and issues that most new artists encounter along the way. And because Rosie teaches a new technique with each project, by the end of the book you'll have everything you need to design eye-catching, one-of-a-kind pieces of your own!

Contributor Bio

Rosie Linebaugh is the stained glass artist behind Linebaugh Studios, an online business that sells stained glass art and products. She currently lives in Lindon, Utah.

Salad Whisperer

50 Veggie-Forward Recipes for Mouthwatering Meals

Sarah Faris

Key Selling Points

- Sarah has 219k dedicated followers on her Instagram account @TheSaladWhisperer and is steadily growing her audience. (She was at 75k back in April 2023.)
- Sarah's most popular reels feature her salad content and her more recent content is averaging over 100K views each.
- Plant-based and health conscious diets are still leading the food trends of 2023 according to sources such as *Everyday Health*, Food Insight, Food Digital, and The Food Institute. This book will appeal to that crowd as it is very vegetable forward.
- Page Street has strong sales records our previous salad cookbook *Seriously Good Salads* (2019) which has sold more than 13k copies. This will add to the list by speaking to some of the current salad trends, such as chopped and baked salads as well as big, hearty salads for full meals.

Summary

Ditch the boring lettuce and tired store-bought dressings! Sarah Faris, the creator behind the popular Instagram account The Salad Whisperer, brings 50 impressive yet approachable recipes to challenge the limitations of what a salad can be.

No longer just a side dish, Sarah's recipes are packed full of hearty ingredients to satisfy the popular demand of big salads for full meals. Discover unique flavors to satisfy every craving like the salty, funky Green Bean Tuna and Sun-Dried Tomato Salad, or the Greek-inspired White Bean, Tomato and Feta Salad. Achieve textural perfection with improved base options like the bitter and assertive radicchio in the Winter Wedge Salad with Radicchio and Roasted Tomatoes, or hearty chickpeas and quinoa in the Asparagus Corn and Snap Pea Salad. Featuring several different styles to choose from such as chopped, shredded and roasted, this book will capitalize on all the latest salads trends.

Full of interesting flavors, crave-worthy textures and multiple suggested dressing pairings for every dish, this cookbook is the perfect way to incorporate more veggies into your diet.

This book will feature 50+ recipes and 50+ photos.

Contributor Bio

Sarah Faris is the creator behind the popular Instagram account The Salad Whisperer where she shares recipes for the veggie centric. She lives in Miami, Florida.

This Is a Book About Street Food

Brendan Pang

Key Selling Points

- Brendan is an established author whose first book, *This Is a Book About Dumplings*, has sold nearly 28,000 copies in three years and second book, *This Is a Book About Noodles*, has sold over 10,000 copies in just five months. His devoted audience is certain to buy his third, delicious collection.
- Brendan was a fan favorite on *MasterChef Australia* in 2018 and 2020.
- Brendan has built a strong following of 208K on his personal Instagram account and an additional 31.3K followers on his business' account, @bumplingsperth. His following has grown over 100K since his first book was published.
- Brendan has been featured on HuffPost, The Daily Mail and other wide-reaching media.

Summary

Irresistible Asian Street Eats at Home

Bring the big flavors of Asian street food to your next meal with 60 new recipes from *MasterChef Australia* alum and restaurateur Brendan Pang. Inspired by Brendan's travels—specifically his favorite street markets of Taipei—these recipes are designed to make cooking everything crispy, gooey, salty and kickin' as approachable as possible.

Brendan offers a feast for carnivores, sea-foodies and vegetarians alike, plus recipes for flavorful quick snacks and indulgent sweet treats. Dig in to the ultimate comfort food with Silky Egg and Prawn Hor Fun Noodles or Xinjiang Cumin Lamb Stir-Fry. Serve up epic dinner spreads with dishes like Singapore Chile Crab or Spicy Mauritian Chicken Curry. You can even prepare mind-blowing appetizers for your next get-together with Pork Belly Gua Bao and Sichuan-Style Veggie Wontons. No matter the occasion, your tastebuds will thank you for these mouthwatering flavor combos.

Contributor Bio

Brendan Pang is the author of *This Is a Book About Noodles* and *This Is a Book About Dumplings*. He's the creator of the dumpling kitchen Bumplings and has appeared on two seasons of *MasterChef Australia*. Brendan currently resides in Perth, Australia.

Enchanted Baking

60 Fairy-Inspired Treats to Bring Magic Into Your Kitchen

Mari Vasseur

Key Selling Points

-- Mari has a dedicated audience of over 151,000 Instagram followers and 66,000 TikTok followers. She is classically trained and has won several national baking awards, including the 45th Pillsbury Bakeoff in the Breakfast & Brunches category.

-- Mari's book joins Page Street's list of bestselling baking books while introducing a uniquely whimsical take on recipe development.

-- As many move beyond lockdown, more and more people are looking towards prioritizing themselves and self-care to avoid burnout. Mari's wonderful take on romanticizing one's life fits perfectly into this ongoing trend of nurturing the holistic self.

-- Coming out of the pandemic, the need for escapism has blossomed into the development of cottagecore lifestyles and aesthetics. Especially popular amongst younger Millennials and Gen Z-ers. #Cottagecore has over 14.3B views on TikTok alone; #cottagecorebaking has over 62.7M.

Summary

Invite magic into your life and joy into your kitchen with Mari Vasseur's premiere collection of delightful treats. The creator of Brownie Mischiefs, Mari knows the delicate dance of inviting the wee folk into the kitchen—and has mastered the art of creating culinary magic with milk and honey. In this ultimate collection of offerings, Mari shares her secrets on making fantastical fairy feasts filled with floral and herbaceous flavors to delight imps and elves alike. Mari makes it easy to make every bake as tasty as it is beautiful with foolproof recipes and simple steps.

Embrace whimsy and quite literally enjoy the little things in life with Petal Pink Strawberry Mini Bundts, Petite Honey Pecan Sticky Buns and Pistachio Rose Petit Fours. Catch a glimpse of the not-so-distant other realms (from the safety of your table) by baking up Fairy Ring Sugar Cookies, Coconut Fairy Mounds and May Pole Dance Cake. Earn the favor of the High Seelie Court with time-honored gifts of summer fruits and honey in the form of Mari's Blackberry, Honey and Thyme Galettes or Berries and Cream Butterfly Pastries. Redirect meddlesome pixies to the garden where they are happiest with Lilac Vanilla Bean Brownies, Blueberry Butterfly Pea Shortbread and Honey Lavender Madeleines. Honor hardworking dwarves with harder treats like Honey Seed Scones or Apple Gingerbread – even better if accompanied by a glass of mead. And appease any other neighborhood fae with classic gifts of sugared berries, nectar and honey in the form of Foraged Berry Crumble Bars, Honey Lemon Cheesecake and Dew Drop Meringues. Romanticize your life and fall in love with baking all over again with Mari's delicious cakes, cookies, bites and bars. (Just don't forget to leave some out for any wee folk that will be tidying up!)

This book will have 60 recipes and 60 photos.

Contributor Bio

Mari Vasseur is a national award-winning baker who focuses on finding the magic in everyday moments. Her fashion background compliments her classic pastry training perfectly, inspiring delectable recipes that are always a joy to behold. Mari currently lives in Valencia, California.

Watercolor in Ten Minutes a Day

30 Quick and Easy Projects for Beginners

Garima Srivastava

Key Selling Points

Garima Srivastava (@garimasrivastava_art) has an active follower base of 182K on Instagram and 2.4K on YouTube. Garima has led thousands of aspiring artists through watercolor workshops on Skillshare as one of their top teachers, and her workshops have been chosen as Skillshare Staff Picks.

Page Street Publishing has a proven track record with watercolor titles. Garima's title adds a new, valuable "ten minutes" angle to that strong list for readers who are short on time for learning new skills.

Watercolor enthusiasm is continuing to trend on TikTok, with 8B views on the #watercolor tag alone. In addition to being satisfying to watch and do, watercolor painting is often associated with mental health benefits, self-care and the rise in popularity of art therapy.

Summary

Cultivate your watercolor craft and create stunning artwork in just a few minutes each day. Artist Garima Srivastava specializes in teaching watercolor techniques, and her easy-to-follow instructions guide you to watercolor mastery in manageable, satisfying daily doses. Perfect for beginners, this approachable guide to all things watercolor allows you to build a creative routine with Garima's ten-minute painting projects, each with a different skill focus.

Garima's expertise ensures you'll learn a new technique each time you sit down to paint and develop your skill over time. Practice brushstrokes with whimsical abstracts like Colorful Beads and Growing Trees. Progress to Stunning Florals and scenes By the Sea, then work up to cozy, frame-worthy tableaus like Lavender in a Rainboot and Scrumptious Cupcake. These 30 projects guarantee that even the busiest aspiring artists can develop their practice: Just dedicate ten peaceful minutes a day to your watercolor craft.

This book will have 30 projects with accompanying step-by-step illustrations.

Contributor Bio

Garima Srivastava is an artist and designer with a passion for educating others about watercolor illustration through her popular Skillshare classes. Garima currently lives with her family in a small village outside Amsterdam in The Netherlands.

The Complete Beginner's Guide to Macramé

Master the Craft with 20 Projects for Wall Art, Plant Hangers, Chic Accessories and More

Alisha Ing

Key Selling Points

—Macramé is an easy craft with few materials, making it a great new hobby for crafters looking to learn a new skill.

—Alisha Ing is a skilled macramé artist with 222K followers on Instagram (@iwouldratherknot). An experienced instructor, she hosts macramé workshops and sells popular macramé DIY kits in her online store. Her work has been heavily featured online, notably by the brand Free People.

—Page Street Publishing has a track record of successful, well-made fiber arts books with crochet, knit and embroidery titles like *Modern Crochet Sweaters*, *Amazing Knit Hats* and *The Embroidery Handbook*. The focus on macramé in this title brings us into a new subsection in that space while we draw on our craft book expertise and experience.

—Macramé has been a breakout décor piece in the past few years. With 2B views for #macrame on TikTok (not to mention 5.7B for #diycraft), the approachable craft continually attracts more people to try it for themselves.

Summary

Add endless texture and color to your life and home with the expert instruction of macramé artist Alisha Ing, creator of viral Instagram and thriving small business I Would Rather Knot. Alisha provides step-by-step photographs for you to follow each knot—and every step in between—so you can turn simple cord into anything from a playful keychain to elaborate wall art. Alisha's savvy techniques and easy-to-follow instructions will have you DIYing professional-quality décor and accessories in no time—even if you've never worked with rope or cord before!

Get inspired and learn the versatility of the macramé medium with 20 eye-catching projects. Begin your crafting journey with simple knots and rope techniques in projects like a Hanging Gardens Plant Holder or a Boho Camera Strap, then graduate to incorporating layers and colors to your pieces to make a Hanging Hammock or a Golden Dusk Wall Hanging. Gaining confidence in a new craft has never been easier when you receive compliments galore on the swoon-worthy macramé art you made yourself.

This book will have 20 projects and 20 styled photos plus step-by-step photos.

Contributor Bio

Alisha Ing is a fiber artist and founder of I Would Rather Knot. Her macramé art has been featured at Free People and tinyworkshops.com and in Voyage LA Magazine. Alisha lives in Orange County, CA.

Enchanted Creatures: A Zendoodle Coloring Book

Lalita Iyer

Key Selling Points

-- Lalita has a strong social media following on Instagram, with a current 100k audience.

-- The art of Zendoodle illustration has become incredibly popular, with several of Castle Point's coloring books series selling more than 10,000 copies each in the last two years.

-- Adult coloring books are more prevalent than ever before, and include mental health benefits such as stress relief, increase in focus, and fostering creativity.

-- Page Street coloring books have sold very well, with Flowerscape selling close to 20,000 copies and its sequel Flowerscape in Paradise selling nearly 5,000 copies in the last two months.

Summary

Choose your next adventure with artist Lalita Iyer as she takes you into a beautiful world of enchanted entities and spectacular scenery. Using the popular art of Zendoodle illustration—intricate designs compiled of small patterns areas—this is a coloring book that simultaneously helps with focus and provides a therapeutic outlet for the busy mind. These mesmerizing designs are simply waiting for readers to add a rainbow of color and make the drawings come to life on the page.

For coloring book enthusiasts or anyone looking for artistic outlets that provide incredible relaxation, these captivating depictions of otherworldly fauna and flora await, including magical toadstools, deep sea creatures and beautiful botanicals, drawn in the Zendoodle style and offering endless possibilities to add vibrant colors of your choosing.

If you are looking for a place of calm with a touch of magic, Lalita's hand-drawn illustrations are here to awe and delight and provide the perfect way to de-stress after a long day. These imaginative and engaging artistic works are sure to bring out the artist in everyone.

This book will include 36 coloring projects on high quality paper.

Contributor Bio

Lalita Iyer is an artist who loves to illustrate everything from animals to mandalas to botanicals, posting daily drawings on her Instagram account @merakibylalitaier. She also works as a graphic designer. Lalita resides in Mumbai, India.

Wild Woodcraft

Easy Bushcraft Projects for Your Outdoor Camp and Workshop

Craig Caudill

Key Selling Points

Craig is a recognizable name in the wilderness survival and safety space. His work is featured in many publications and blogs such as *Field and Stream*, *Outdoor Life* and *Backwoods Survival Guide*—just to name a few—and he’s consulted for Discovery Channel and History Channel.

Craig is the creator behind Nature Reliance School’s YouTube, which has over 105K subscribers. Craig regularly shares his survival, wilderness and bushcraft advice on YouTube shorts that get thousands of views each. Several of his bushcraft tutorial videos have gone viral (one for How to Make a Bushcraft Hammer got 5.4 million views).

In the past few years, Americans have been appreciating the outdoors more than ever: The National Parks Service reports a 31% increase in attendance since 2020, with overnight stays on the rise and 12 parks reporting record visitation in 2022.

Summary

Develop your wilderness skills by learning how to make useful tools that cost virtually nothing—and in a pinch, could make all the difference. These 25 step-by-step photo-illustrated projects from expert survivalist Craig Caudill will empower you to connect with nature by learning the fundamentals of wilderness survival through bushcraft.

These innovative bushcraft projects are fun to make and practical to use. With Craig’s extensive knowledge of the natural world, it’s easy to incorporate these old ways of sustainable living into your regular outdoor activities. Craft your own complete outdoor workshop by hand with a functional wilderness anvil, bushcraft mallet and bucksaw, all from the wood and materials you can gather from the woods. Bring fun and functionality to your next campsite by building a camp bench, tree table and even cookware such as a wilderness oven, adjustable branch pot holder and even camp utensils. These ingenious, approachable projects are perfect for anyone who loves to build with their hands and live in harmony with the natural world.

This book will have 25 projects, each one including a final photo and step by steps.

Contributor Bio

Craig Caudill is the director and lead instructor of Nature Reliance School, as well as a four-time nature and survival author. He regularly teaches wilderness survival, safety and search and rescue skills to the public, law enforcement and government agencies; he was awarded the title of Kentucky Colonel for service to his community. His previous books are *Essential Wilderness Navigation*, *Ultimate Wilderness Gear* and *Extreme Wilderness Survival*. Craig lives in Winchester, Kentucky.

Summary

Show the children in your life some love with handmade clothing—made just the way you like. Whether you’re looking to make a romper with super soft, snuggly baby yarns that are perfect for newborns and infants, overalls and sundresses with durable stitch patterns that can stand up to playground play, cozy cardigans for cold days or special occasion outfits and accessories, you’re in good hands! Karen Petry, crochet designer and founder of the design brand Babes in the Wool, has carefully designed 25 patterns to keep your little ones warm, comfortable and stylish no matter the season. And since most projects can be made to fit children from newborns to 3 years of age, you can rest assured that your little loved ones will have gorgeous handmade garments for every stage of their earliest years.

As a seasoned crochet designer, Karen offers detailed instructions for getting started, clear stitch diagrams and beautiful full-color photography to guide you through the creative process from start to finish. She also includes a bonus chapter on accessories to complement any look in the book and provides detailed care instructions for your new favorite pieces. Whether you’re crafting for your own child or looking to make a thoughtful baby shower or holiday gift, this book is the perfect place to start!

This book will have 25 projects and 25 styled photos plus step-by-steps.

Magickal Cross-Stitch

25 Witchy Projects to Enchant Your Home

Lindsay Swearingen

Key Selling Points

Lindsay's first book, *Creepy Cross-Stitch*, continues to be a strong seller for us, even outside the Halloween season, and has thus far sold nearly 20k.

We have experienced a lot of success with books in the witchcraft and occult spaces, and witchcraft is an overall very popular subject. Major publications such as the *New York Times* and *USA Today* have noted the rising popularity of witchcraft in recent years. Social media trends indicate likewise, with hashtags like "#witchesofinstagram" on Instagram containing over 8.7 million posts and "#witchtok" on TikTok gaining over 23 billion views.

Lindsay's style is a refreshing departure from traditional cross-stitch patterns, making them perfect for a younger crafting audience and fiber artists looking for a wider variety of subjects to cross-stitch

Lindsay has an engaged audience of over 38k on Instagram.

Summary

With projects depicting poisonous plants destined for the witch's cauldron, celebrations for Samhain, black cat companions and a host of other imagery reminiscent of witchcraft, Lindsay brings the occult to life using her signature style. An easy and accessible craft, cross-stitch is the perfect medium to explore witchy aesthetics and create projects that will add an air of dark whimsy to your home.

Featuring peeks into a witch's home, aesthetic depictions of divination tools, scenes from witch holidays and celebrations and more, these easy-to-follow patterns include all of Lindsay's best tips and techniques for creating bewitching cross-stitch art.

This book contains 25 projects and 25 photos.

Contributor Bio

Lindsay Swearingen is the author of *Creepy Cross-Stitch* and the fiber artist behind Tusk and Cardinal. She sells cross-stitch patterns in her signature dark yet whimsical style on her Etsy account of the same name. Lindsay lives in Sacramento, California.

The Ultimate Plant-Based Cookbook 100 Nourishing Recipes for Every Meal

Sarah Cobacho

Key Selling Points

Sarah has an existing audience through plantbaes' blog and social media presence. Her dedicated follower base of 283K on Instagram, 54K on TikTok, and 38K on Facebook often engages by posting the gorgeous results of following her plant-based recipes.

Page Street Publishing has continued, proven success with cookbook titles, especially with vegan/vegetarian and home cook titles. Sarah's plant-based recipes with her signature nutrition and meal-prep foci are a valuable addition to a robust list.

Sarah holds an advanced diploma in nutrition with a focus on plant-based eating. Her expertise sets this title apart from other plant-based, vegetarian/vegan titles.

As a worldwide shift occurs away from animal products, plant-based diets are ever-growing in popularity: #vegan recipes have over 34B views on TikTok, with #plantbased as an up-and-coming designation with an impressive start of 7B views. As this pattern continues, plant-based food sales are expected to increase 500% by 2030.

Summary

Nourish yourself and become empowered to eat well with these 100 plant-based recipes from nutritionist Sarah Cobacho, the mind behind the favorite recipe blog plantbaes. These fun and straightforward recipes encourage health and longevity with plant-based meal planning and prepping. Plus, Sarah's nutritional expertise guarantees the right amount of carbs, proteins, and fats in every delicious, balanced meal. This ultimate guide to plant-based cooking takes the pressure off to figure out protein-filled meals without animal products—all that's left for you to do is cook.

This one-stop shop for plant-based recipes lays out a variety of meals, sides, breakfasts, desserts and more packed with plant-based abundance. The Mediterranean Protein Pink Pasta ensures anyone looking to include more veggies in their diet incorporates the protein they need—with a bright, beautiful plate. The Harvest Salad with Tuscan Kale and Turmeric Dressing makes eating your greens exciting and energizing, even for the most experienced vegetarians and vegans. And the Chickpea Hazelnut Chocolate Bark is a must-make for sweet-tooths upping their fiber intake! With Sarah's included nutritional information for each plate, it's never been easier to get the vitamins and nutrients necessary to live your best plant-based life.

This book will have 100 recipes and 60 photos.

The Ultimate Taco Lover's Cookbook

60 Authentic and Inspired Recipes for Tortilla Perfection

Nicki Mejia

Key Selling Points

—Taco cookbooks have been strong sellers for years, thanks to titles like *Trejo's Tacos* (2020; 57k copies sold), *The Taco Tuesday Cookbook* (2018; 29k copies sold), and *Guerrilla Tacos* (2017; 21k copies sold).

—Page Street's dish-specific books have been doing incredibly well in recent years, with books like *This is a Book About Dumplings* (26k copies), *This is a Book About Noodles* (10k copies) and *Macaron School* (13k copies), among others. We expect to see this trend continue with Nicki's taco cookbook.

—In addition to being well-known for her viral taco videos, Nicki's Mexican heritage gives her the authentic background to thoughtfully write a cookbook like this.

—The engagement on Nicki's taco recipes is incredibly strong with many of them going viral with millions of views.

—Nicki has a dedicated audience of 149,000 followers on Instagram.

Summary

Taco lovers rejoice! From Nicki Mejia, the creator of Taste With Nicki and prolific food blogger known for her viral taco recipes, comes the cookbook you've been waiting for. With authentic recipes inspired by her Mexican heritage, as well as exciting twists on familiar flavors, Nicki is here to show you just how delicious and easy it can be to make every night taco night—not just Tuesdays.

Whether you're looking for finger-licking deliciousness like the Best Frickin' Chicken Tacos, for Veggie Tacos that will Guac Your World or even for dessert tacos (featured in the Let's Taco 'Bout Dessert chapter), there's something in every chapter to suit your tastebuds! From Steet Food-Style Carne Asada Tacos, to Kentucky Fried Chicken Tacos, to the most decadent Ultimate Churros Dessert Tacos, you simply can't go wrong. Nicki's even included a chapter for all of the sauces and seasonings you could ever need to take your taco game into the stratosphere. No matter if you're a total taco-holic or are simply looking for delicious dishes that can be thrown together quickly and easily, you're sure to love every single one of the incredible recipes on offer.

This book will have 60 recipes and 60 photos.

Vegan Street Eats

The Best Plant-Based Versions of Burgers, Wings, Tacos, Gyros and More

Will Edmond

Key Selling Points

-Will Edmond has a large audience, with 179k followers on Instagram, 144k on TikTok and 59k on YouTube for a combined following of 382k.

-Will is known for sharing vegan street food recipes on his social media pages. This title will appeal to his audience and fit nicely into what he is known for.

-The vegan street food market is currently under explored. The top two selling books have narrow areas of focus; *Street Vegan* (Clarkson Potter, 2015) focuses on the foods from a specific vegan food truck, and *Vegan Street Food* (Ryland Peters & Small, 2015) focuses on Asian and Southeast Asian street foods. This title will be the first comprehensive cookbook that includes an array of vegan street food recipes.

Summary

Going vegan doesn't mean you have to give up those fried, BBQed, comfort meals you love, thanks to this incredible collection of plant-based street food recipes. Will Edmond is a vegan chef and travel blogger, known for his boisterous personality and flavor-packed dishes. In this one-of-a-kind cookbook, Will combines his globe-trotting background and southern roots to bring you 60 vegan recreations of famous street foods from the US and beyond, sure to please any crowd and appetite.

Enjoy a coast-to-coast tour of American favorites with recipes like the Texas Fair Corn Dog, The Philly Vegan Cheesesteak, Chicago Juicy Slaw Dog and more. You'll also discover festival must-haves like State Fair Funnel Cake, Spicy Fried Pickles, Crunchy Mozzarella Sticks and Crispy Southern Fried Chick'n. And no street food crawl is complete without international delights like The Gyro, English Fish and Chips, Cheesy Poutine and Street Empanadas. Whether you're brand new to the vegan diet or have been adhering to it for years, this cookbook will help you enjoy nostalgic snacks, treats and sweets with healthier, better-for-you ingredients.

This book will have 60 recipes and 60 photos.

Contributor Bio

Will Edmond is a vegan chef and travel blogger. He is known for his online travel series, *Adventures of Will*, as well as his vegan recipes and cooking videos. Will is based in Douglassville, Texas.

Not Your Gran's Sewing Book

Easy Alterations for the Perfect Fit at Any Size

Allie Luecke

Key Selling Points

-- Allie has a passionate audience of over 103,000 Instagram followers, and her upcycled clothing makeovers have been featured in *The Guardian*.

-- Page Street has a strong understanding of beginner-friendly, tutorial-based craft books. Allie's book will be a unique addition to our blossoming fashion and sewing list which includes our first New York Times bestseller, *Make, Sew and Mend*.

-- Thrifting and more specifically, thrift flipping, have become increasingly popular (#thriftflip has over 348k posts on Instagram and 3.6B views on TikTok). While the style itself is popular, the cost of living crisis has made it more important than ever to find sustainable ways to save; revitalizing old clothes rather than buying new ones is both budget and environment-friendly.

-- Allie's projects are size-inclusive. She takes a body-positive approach to tailoring, focusing on fitting the clothes to the body rather than the body to the clothes. Because the thrift flip and wider tailoring world is predominantly thin, Allie's mid-size voice and inclusive projects are especially important.

Summary

Tailor your wardrobe to fit your size, shape and sensibilities with Allie Luecke's ultimate guide to easy clothing alterations. Allie breaks down intimidating sewing techniques by giving detailed instructions for the most needed garment upgrades: hemming dragging pant legs, cropping outdated tees, upsizing gaping button-ups, cinching dresses, adding plentiful pockets and functional zippers and more. Screw unattainable sizes or unflattering designs; regardless of size or shape, Allie's approachable alteration hacks will have every garment in your closet fitting perfectly.

This isn't your grandmother's dusty old sewing manual – Allie's humorous voice, trending style and understanding of upcycling truly make this a modern sewing bible. Size-inclusive and budget-friendly, this book focuses on making the old new again to avoid fashion faux-pas and wasteful fast fashion. Whether you're adjusting a tried-and-true favorite that might be a bit too snug now or making your latest thrifted treasure fit like a glove, Allie's tutorials will have you saving time, money and the planet.

This book will have 32 technique-based projects with 32 beauties and accompanying step-by-step photos.

Contributor Bio

Allie Luecke is the creator of Allie Upcycles, a platform dedicated to accessible and inclusive thrift flips. She currently lives in Footscray, Australia.

The Way of the Witch

A Guide to Starting Your Magical Journey and Activating Your Inner Power

Danielle Luet

Key Selling Points

Today have noted the rising popularity of witchcraft in recent years. Social media trends indicate likewise, with hashtags like “#witchesofinstagram” on Instagram containing over 8.7 million posts and “#witchtok” on TikTok gaining over 23 billion views.

Page Street’s books dealing with witchcraft and the occult, including *WTF Is Tarot?* (2017, over 35k net sales), *Plant Magic for the Beginner Witch* (2020, over 17k net sales), and *Herbs and Crystals DIY* (2021, over 10k net sales) have been sold well, indicating that this is a strong category for us.

This book will include beautiful illustrations that will help enhance the text and add to the overall witchy feel of the book.

Danielle has an engaged audience of nearly 90k followers on Instagram.

Summary

The path to witchcraft can be winding and long, and every witch needs a spiritual mentor to help her on her journey. In this comprehensive reference guide, Danielle Luet provides just that through wisdom, resources, rituals, and more designed to help witches find their way.

Danielle first helps you find where to begin, with foundational information about types of witchery, from Druidry to Wicca, so that you can find which path calls to you. Prepare for your journey into witchcraft by learning how to source tools to aid you, establishing a sacred space for your practice, practicing ethically and more. Then discover how to build your practice into something meaningful and personal to you, by practicing spells and rituals, in addition to divination, working with herbs and crystals, celebrating witches’ holidays and using correspondence tables. Guest chapters from other prominent voices in the witchcraft community provide additional insights into the myriad ways you can practice.

No matter where your path is heading, Danielle’s sage wisdom, garnered from decades of practicing witchcraft, will help ensure you begin your journey with confidence and grow into the empowered, ethical witch you want to become.

This book will contain 60+ illustrations.

Contributor Bio

Danielle is a practicing witch and the creator of the popular Instagram account A Witch’s House, where she shares spells, correspondences and other tips for witches. She lives in **North Teeswater, ON, Canada (Bruce County)**.

Bangin' Beans

60 Vibrant Vegan Meals Powered by Plant-Based Protein

Sarah Doig

Key Selling Points

-- Page Street has strong vegan and frugal cookbook lists, including titles such as *30-Minute Frugal Vegan Recipes* (over 10k copies sold net), *30-Minute Vegan Dinners* (over 17k), *Easy Vegan* (over 22k) and *Frugal Vegan* (over 54k). *Bangin' Beans* expands this growing library while offering a unique collection of globally-inspired, protein-rich and budget-friendly vegan recipes.

-- According to the World Animal Foundation, between 22-24% of the world is vegan or vegetarian. As an excellent source of natural plant-based protein, beans and other legumes are a critical part of a well-balanced vegan or vegetarian diet.

-- A superfood rich in vitamins and minerals, beans are considered one of the most nutritious foods you can eat according to *The New York Times*, *BBC*, *The Wall Street Journal* and *EatThis, NotThat*. Because they are shelf stable and cost-effective, they are an accessible wholefood.

-- There's a growing market for bean cookbooks: *Cool Beans: The Ultimate Guide to Cooking with the World's Most Versatile Plant-Based Protein* has sold over 49,000 copies since its publication in 02/04/20. *Grist* has sold over 16,000 copies (10/26/21).

Summary

Nothing beats cheap, healthy *and* delicious. And Sarah Doig checks all the boxes with the humble (but mighty) bean. Everyone's favorite legume, beans make life easy: they're cheap, shelf-stable and great vessels for flavors from around the world. Not to mention they're a naturally vegan protein-source full of fiber, iron, potassium and other vital micronutrients. In 60 bean-iful recipes, Sarah puts the spotlight on this diverse heart-healthy wholefood.

Perfect for feeding a crowd or yourself at the end of a long day, Sarah's delish dishes come together quickly with minimum fuss and maximum flavor. Need a new go-to dinner to bring to the weekly rotation? Pump up the flavor without breaking the bank with Easy Arrabbiata Beans, Edamame Poke Bowls with Zesty Sesame Lime Dressing or Creamy Stroganoff Beans with Mushrooms. Craving veganized family favorites? Try Sarah's Mac and Beans, Chili Bean Nachos or Spaghetti and Bean Balls. Need a fantastic dip or side to serve at a party? Sarah's 3 Bean "Sausage" Rolls, Speedy Black Bean Tacos and Smoky Kidney Bean Dip never disappoint! Amongst the most versatile and nutritious foods on the planet, this modern bean bible is a must-have for any health-conscious cook or vegan looking for big time flavor on a tight budget.

This book will have 60 recipes and 60 photos.

The Natural Soapmaking Handbook

Easy Recipes and Techniques for Beautiful Soaps from Herbs, Essential Oils and Other Botanicals

Simi Khabra

Key Selling Points

--The easy-to-follow tips, step-by-steps and diverse soap recipes in this guide are beginner-friendly and will help hobbyists build their skills so they can take soapmaking beyond the book.

-- Free of any artificial fragrances or dyes, this book stands apart from others on the market which advocate for synthetic ingredients. The recipes are perfect for anyone seeking gentle and sustainable skincare.

-- With devoted customers and 79.9K Instagram followers, Simi is a well-respected authority on soapmaking. Her established audience and unique approach to soapmaking are sure to draw large readership to this handbook.

--Page Street has had enormous success selling natural skincare books, including Jan Berry's *The Big Book of Homemade Products for Your Skin, Health and Home* which has sold nearly 28,000 copies in less than 3 years. Simi's book will be an exciting and unique addition to our already-lucrative list.

Summary

Make beautiful, all-natural soaps with these 31 incredible recipes and detailed, step-by-step tutorials that are sustainably free from palm oil, synthetic fragrances and artificial dyes. You'll learn all the best soapmaking secrets from expert soapmaker and creator of the Muddy Mint Soap Co. Simi Khabra, including how to make and properly store lye-water, mix oils for the perfect batter consistency and discover heavenly essential oil blends for your soaps. Plus, gain a deeper understanding of the processes and techniques that go into soapmaking so you can successfully craft your own stellar recipes.

Perfect for beginner soapmakers and longtime hobbyists alike, the recipes in *The Natural Soapmaking Handbook* are easy to follow and use natural, sustainable ingredients that won't irritate your skin. Make pastel Milky Rose soap using natural colorants like French pink clay, have a go at creating a textured soap top with the exfoliating, oatmeal-inspired Breakfast Scrub bar or experiment with essential oils and try the Sunlit Meadow recipe for luxurious, lavender-scented suds. With Simi's guidance, you're sure to succeed at whichever exciting project you choose to make first.

This book will have 30 soap recipes and 30 photos, plus step-by-step images.

Contributor Bio

Simi Khabra is the creator of Muddy Mint Soap Co., an all-natural soap and skincare company in Colorado. She showcases her stunning creations and soapmaking techniques on her popular Instagram account of the same name, @muddymint. Simi lives in Longmont, Colorado.
